

VOLUNTEER OPPORTUNITY

National Weather Service
Chanhassen, MN

Opportunities available for students majoring in the following areas:

Meteorology

Hydrology and Civil Engineering

Graphic Design

GIS and Information Technology

Natural Resources

Students must have completed their sophomore year of college coursework by June of this year.

The volunteer will work in-person shifts between 10-15 hours per week. The volunteer can occasionally work virtually if they choose.

Students interested in applying for the student volunteer program must provide a college transcript, a letter of recommendation from a professor in their field of study, a resume, and a cover letter describing why they would like to volunteer at the National Weather Service. **Applications are due by March 31, 2023.**

Questions and all application materials should be directed to:

Nick Carletta
nicholas.carletta@noaa.gov
with the subject "2023 NWS Student Volunteer Program"
